SUMMARY

Motivated and talented college student with a strong foundation in web development and programming. Proficient in Python, Bootstrap, HTML, CSS, jQuery, and Django, with a passion for creating visually appealing and functional websites. Quick learner and eager to expand knowledge in the field of web development through practical experience and continuous learning. Committed to delivering high-quality work, collaborating effectively with teams, and exceeding client expectations. Seeking an opportunity to apply and enhance my skills in a professional setting while contributing to the success of an organization.

6.0 / 10.0

EXPERIENCE

Web Developer (InternShip)

Janovis Infotech

2022 - 2023 Ahmedabad, INDIA

Janovis Infotech is a dynamic and innovative technology company specializing in Shopify projects, web development, and app development. With a strong focus on delivering cutting-edge solutions and exceptional client experiences, we are at the forefront of the rapidly evolving digital landscape.

- Website Development: Leveraging your knowledge of Python, Bootstrap, HTML, CSS, jQuery, and Django, you actively participated in the development process, ensuring the creation of visually appealing, user-friendly, and responsive websites. I implemented front-end designs, integrated back-end functionalities, and optimized website performance.
- Coding and Programming: I demonstrated proficiency in coding and programming, writing clean, efficient, and well-documented code. By adhering to coding standards and best practices, you contributed to the overall quality and maintainability of the websites.

MySQL

STRENGTHS

Time management

Prioritizes essential tasks so they are not rushed. Sets deadlines that ensure reaching milestones on time.

Adaptability

I remember that change is not personal and is inevitable. I break my projects into multiple parts so that if something goes wrong, I can quickly fix it.

Accountability

I take ownership of my mistakes. By doing that I learn what I did wrong so that it does not happen again.
